Subject: Portland Harbor Community Outreach and Communications Planning for 2008

Hello and Happy 2008 -

I would like to set up a two-hour meeting later this month to discuss community outreach and communications needs and opportunities for Portland Harbor. The focus will be on the coming year, but also sharing thoughts about what our respective organizations can do to prepare for key milestones in 2009-10. I would also like to do a somewhat tardy post-mortem on PH Field Day and see if there is commitment to holding one in 2008.

Barbara will be in town on Weds. the 23rd and 31st of January. Please let me know if

one or both dates would work for you, whether the morning or afternoon would be better and any specific items you would like to see included on the agenda.

Our new EPA office has some nice conference space, so I will host the meeting here.

Thanks,

Judy
